Compatible with any cordless phone possessing a standard 2.5 mm jack, Panasonic's KXTCA91 is designed to keep your hands free for more important things while you're talking on the phone. Its boom microphone adjusts for comfort and clear conversation, and the earpiece is reversible, so you can wear it on either ear. A 4' cord attaches to your telephone handset, giving you plenty of range for comfortable movement, and the volume control allows you to adjust from chat to chat for total flexibility. Panasonic provides a 90-day warranty covering parts and labor.

What's in the Box Reversible clip-on headset, ear pads, 4-foot cord with 2.5 mm jack, user's guide, warranty and registration card
