

A100M

HD audio

Lightweight design

Long wearing comfort

Ideal for video-telephony

Flexible all-rounder - mono

The Snom A100M is a wired monaural headset designed for maximum comfort and performance. Its lightweight and ergonomic design means it can be worn comfortably all day. The wideband technology ensures high-definition sound and crystal-clear

communication. In addition, the flexible boom and the passive noise cancelling microphone guarantee clear voice transmission. With the various Quick Release (QR) adapters available this headset is perfect for use in multiple scenarios.
