

Link2Cell Digital Phone with iPhone5 Integration and Answering Machine KX- PRL262B 2 Cordless Handsets

Features

- Sync smartphone to home phone via Bluetooth[®], no landline required
- Link up to two smartphones to make and receive cell calls with Link2Cell handsets
- Stream music from your smartphone with built-in speakers
- Keep your iPhone5[®] charged via lightening connector
- Never miss a text with talking ID alerts from Link2Cell handsets

Features

Link up to 2 Cell Phones Feature that lets you sync your cell or smart phone to your Panasonic home phone handset. Cell phone calls can then be made or received using your Panasonic handset.

Charge your Smartphone via USB No convenient electrical outlet for charging your cell phone or Smartphone? No problem. Select models feature a convenient USB charging port.

Play content streamed from Smartphone through built-in speakers Enhances the audio from you smartphone giving you rich, clear and powerful sound experience.

Handset functions as remote control for Smartphone When checking your messages on a touch tone keypad while away from home, you can control the Greeting Message, All Message Playback and Individual Message Erase.

Talking Text Sender Alert When a call comes in through your linked cell or Smartphone (Link2Cell), the handset will announce the name or phone number of the sender using the text-to-speech function.

Text Message Alert Never miss an important text because you don't have your cell phone with you. Models equipped with Text Message Alert signal the home phone handsets when you receive a text on your cell phone.

Key Detector Compatible Attach the optional Key Detector to your car key ring or other easily misplaced items and forget about ever losing them ever again. Using any of your telephone handsets, you can activate the Key Detector's beeping alarm and quickly track down your lost keys. Key Detector's powerful range finds objects up to 200 yards away so you'll find whatever's

lost whether it's upstairs, in your car or in the yard. You can register up to four Key Detectors and give each a distinctive name, like Dave's keys, Sharon's keys, etc.

Talking Caller ID Now you can hear who's calling from across the room without having to get up. Using text-to-speech technology, Panasonic phones featuring Talking Caller ID announce caller ID information in between rings. What could be more convenient?

DECT 6.0 PLUS Technology Enhanced version of DECT 6.0 in which transmission quality and range are improved by increasing the frequency of error correction up to 80x.

Large, 1.8" White Backlit Handset Display See who's calling at a glance on our wide, 1.8-inch LCD and set screen. Featuring black against a white-backlit display, it's crystal clear and easy to read-even from a short distance away.
