

Cordless Phones KX-TGE262

Features

What is Link2Cell™?

Now you can make and receive cell phone calls through your multi-handset home phone with the Bluetooth® powered Panasonic Link2Cell™ phone. Link2Cell™ harnesses the power of Bluetooth® to combine the freedom of your cell phone and the convenience of a home phone.

By simply placing your cell phone where reception is best, you can communicate using the cordless handset anywhere in your home.

Simultaneous Conversation (2 handset)

This function also allows you to have two different cell phone conversations simultaneously using your handsets.
